COMPETITION FORMAT

DRAW FORMAT

Teams will be drawn into Round Robin groups that will be played on Sunday, Monday, and Tuesday. Additional matches, including the Quarter Finals, Semi Finals and Finals will be played on Wednesday, Thursday, and Friday.

Draw Formats of 6 and 12-16 teams will advance group winners and 2nd placed teams to Quarter Finals.

Draw Formats of 17-23 teams will advance to Quarter Finals with group winners and one (1), two (2), or three (3) lucky losers, depending on the format.

The method is determined by the Masters Committee, who last reviewed the procedure in October 2024.

Each group winner shall qualify to the main medal draw.

Any vacant positions in the main draw Quarter Finals (Draw Formats 17-23) will be filled by 'lucky loser' team(s). Further information about the process to determine 'lucky losers' will be shared by the World Tennis Masters team.

MATCH TIMES

It is intended that all teams will start ties at the same time (morning) each day. However, teams may be required to play a combination of both morning and afternoon matches during the week. An order of play will be released each day detailing match times.

The Order of Play and practice times during the tournament week will be confirmed at the Captains meeting and communicated during the week online and at all official hotels.

Afternoon ties will only be necessary if daily court requirements exceed 70, or if matches are delayed due to weather conditions. Further information will be available after the entry deadline (Monday 15 February).

TIE FORMAT

All singles and doubles matches in the round-robin and playoff stage must be completed. This includes all medal matches.

Failure to play any match shall result in all players in the team receiving zero (0) ranking points for their participation in the Masters World Team Championships.

Notes:

The completion of all doubles matches in the playoff stage is mandatory.

Significant ranking points are available in the Masters World Team Championships, based on wins at each stage of the competition.

The World Tennis Masters promote opportunity and participation. Teams often nominate four (4) players for the event. Non-completion of doubles often restricts the ability for players to compete in the event.

FORMAT OF PLAY

Format of Play is determined by the number of entries for a specific team cup. This will be released in February 2027.

World Tennis Masters | World Championships Perth 2027

M/W • 55, 60, 65, 70

ADDITIONAL INFORMATION

MATCH FORMAT

Each tie will consist of 2 singles and 1 doubles match. Doubles matches must be played in all round-robin groups regardless of the score after singles.

Where possible, each tie will be played on 1 court only.

However, if a tie between two teams does not start its first match before 15.00pm, the Referee reserves the right to play both singles matches concurrently on 2 closely located courts. It may be necessary to play a doubles match on a different
court to the court that the singles matches were played on. This will be determined by the number of entries and the required Format of Play. Further details will be supplied to the captains.

Unless otherwise agreed by the referee, a match will not start any later than 20.30pm.

Singles Scoring Format:
Best of 3 tie-break sets in all singles matches.

Doubles Scoring Format:
All doubles matches will consist of a 2 tie-break sets and 10-point match tiebreak (this includes round-robin stage and knock-out position stage).
