On court today…

- Sebastian Korda returns to Rod Laver Arena this afternoon after surviving a final-set tiebreak against Hubert Hurkacz in the last 16, with the American up against No. 18 seed Karen Khachanov. The pair have met 3 times before, and while Korda leads the overall head-to-head 2-1, Khachanov was victorious on their only previous Grand Slam meeting, recording a 5-set victory in the round of 16 at 2021 Wimbledon. Korda has won all 3 of his previous matches against Top 20 players at the Australian Open, with a win against Cameron Norrie in the 1st round here last year to add to his triumphs against Daniil Medvedev and Hurkacz so far this fortnight. But Khachanov has greater experience at this stage of a Grand Slam event – by reaching the last 8 here he has become the 10th active male player to reach the quarterfinals at all 4 Grand Slam tournaments, and he is bidding to reach back-to-back Grand Slam semifinals, having reached the last 4 at a major for the first time at the US Open last year.

- In the men's night match on RLA, Stefanos Tsitsipas faces Jiri Lehecka with the No. 3 seed bidding to reach his 4th semifinal at the Australian Open and his 6th Grand Slam semifinal overall. Tsitsipas has won all 5 of his previous Grand Slam quarterfinal matches – but he will be wary of the threat posed by Lehecka today, after the Czech 21-year-old defeated a Top 10 player for the first time by overcoming Felix Auger-Aliassime in the round of 16 on Sunday. Lehecka would become just the 5th Czech player in history to reach the men's singles semifinals here if he wins today – a hugely impressive achievement for a player who had never recorded a Grand Slam match-win prior to this tournament. Tsitsipas was forced to come from behind to record a 3-set victory in their only previous encounter, in the semifinals at Rotterdam last year.

NO. 3 STEFANOS TSITSIPAS (GRE) v JIRI LEHECKA (CZE)

Head-to-head: Tsitsipas leads 1-0

2022	Rotterdam	Hard (I)	SF	Tsitsipas	46 64 62

Lehecka is bidding to defeat a Top 5 player for the first time on his 3rd attempt. He has lost both of his previous meetings against Top 5 players – against No. 4 Tsitsipas in the semifinals at 2022 Rotterdam and against No. 5 Casper Ruud in the 2nd round at 2022 Gstaad. The highest-ranked player he has defeated is No. 7 Felix Auger-Aliassime in the round of 16 here on Sunday.
